

The Board of Directors' proposal regarding resolution on the establishment of incentive program 2026/2029 through the issue of warrants to subsidiary and approval of the transfer of warrants to employees

The Board of Directors of Green Landscaping Group AB (publ), reg.no. 556771–3465 (the "**Company**"), proposes that the Annual General Meeting ("**AGM**") resolves on the establishment of incentive program 2026/2029 through a directed issue of warrants in the Company and transfer of warrants to certain key employees in the Group on the below terms ("**Incentive program 2026/2029**").

The issue of the warrants shall, with deviation from the shareholders' preferential rights, be directed to the wholly owned subsidiary, Green Landscaping Incentive AB, reg. no. 559148–3242, (the "**Subsidiary**"). The warrants shall be issued without consideration. The Subsidiary has the right to subscribe for the warrants with the right and obligation for the Subsidiary to offer the Company's CEO and executive management and certain key employees (the "**Management**") to acquire the warrants for consideration on the terms set out below.

The Board of Directors considers it important and in the best interest of all shareholders that employees have a long-term interest in a positive value development of the Company's shares. A personal long-term shareholder engagement is expected to contribute to an increased interest in the business and result in full, increase the participants' motivation as well as further strengthen the affinity with the Company.

The maximum number of additional shares is estimated to a maximum of 500,000 shares corresponding to 0.87 percent of the total number of shares in the Company, provided full subscription and full exercise of all warrants.

Statement regarding the Company's other share-related incentive programs, preparation of the proposal, costs of the program and effects on important key figures are described in Appendix A.

A. Issue of warrants to the Subsidiary

The issue, which consist of a maximum of 500,000 warrants of series 2026/2029, shall be made with deviation from the shareholders' preferential rights and on the following terms.

1. Number of warrants issued

The Company shall issue a maximum of 500,000 warrants of series 2026/2029. Each warrant confers the holder a right to subscribe for one (1) new share in the Company.

2. Subscription right and allocation

The warrants shall, with deviation from the shareholders' preferential rights, only be able to be subscribed for by the Company's wholly-owned Subsidiary. Oversubscription is not possible. After subscription, the Subsidiary shall offer the Management to acquire the warrants.

3. Issue price

The warrants shall be issued without consideration.

4. Subscription period

The warrants shall be subscribed for on a separate subscription list no later than May 29, 2026. The Board of Directors is authorised to extend the subscription period.

5. Increase of share capital

Provided that the warrants are fully exercised, the Company's share capital can increase with a maximum of SEK 35,500.00 (provided the current quota value and that no re-calculations have been made in accordance with Appendix B).

6. Subscription price

The subscription price for a share when exercising a warrant shall be 120 percent of the volume-weighted average price for the Company's share on Nasdaq Stockholm during the period May 8, 2026 to May 15, 2026, but not below the share's quota value. If the subscription price exceeds the previous shares quota value, the excess amount (premium) shall be recognised under the unrestricted share premium reserve in the Company's balance sheet.

7. Exercising period for warrants

The warrants can be exercised by notification of subscription for new shares during the period May 18, 2029 to May 31, 2029.

8. Reason for deviation from the shareholders' preferential rights

The reason for deviating from the shareholders' preferential rights is that the Company wishes to promote the Company's long-term interests by providing Management with a well-considered incentive program, which gives them the opportunity to take part in a positive value development in the Company.

9. Dividend

Shares subscribed for by way of warrants entitles to dividend for the first time on the record date for dividend that falls immediately after the subscription has been executed.

10. Articles of Association

The Articles of Association are kept available for the subscribers at the Company's address in Stockholm.

The complete terms and conditions for the warrants are set out in Appendix B – “Terms and conditions for Green Landscaping Group AB (publ) warrants 2026/2029”. For instance, it is stated in § 8 in Appendix B that the subscription price, as well as the number of shares each warrant entitles to subscribe for, may be recalculated in the event of a bonus issue, rights issue and in some other cases.

Upon full subscription and full exercise of the warrants, the Company's share capital may increase by a maximum of SEK 35,500.00 through the issuance of a maximum of 500,000 shares, each with a quota value of approximately SEK 0.071, however, subject to the increase that may be caused by recalculation according to the warrant terms and conditions as a result of issues etc. These new shares constitute, if fully exercised, 0.87 percent of the total number of shares in the Company.

B. Approval of transfer of warrants to Management

The Board of Directors proposes that the AGM resolves to approve that the Subsidiary may transfer a maximum of 500,000 warrants in the Company of series 2026/2029 to the Management, or otherwise dispose of the warrants to fulfil the commitments in connection with Incentive Program 2026/2029.

The right to acquire warrants within Incentive Program 2026/2029 shall be offered to the following categories:

Category	Maximum number of warrants for the category
The Company's CEO (maximum one person)	200,000
Others in the executive management and key employees (maximum 14 people)	500,000

Persons within the category *Others in the executive management and key employees* may be offered to acquire a maximum of 60,000 warrants per person. If warrants within a certain category remain, after all applications within the category

have been satisfied, the remaining number may be allocated to participants in the same or another category, whereby the Board of Directors shall determine the distribution based on category affiliation, staff category and the number of applied warrants. Such distribution may not, however, exceed the maximum number of warrants per person or category.

The warrants shall be transferred to the Management at a price corresponding to the estimated market value at the time of the transfer using Black & Scholes or another accepted valuation model.

The warrants shall be transferred to the Management no later than before the 2027 AGM, after which non-transferred warrants shall be cancelled.

The reason for deviating from the shareholders' preferential rights is that the Company wishes to promote the Company's long-term interests by providing the Management with a well-considered incentive program, which gives them the opportunity to take part in a positive value development in the Company.

Majority requirement

A valid resolution for this item requires that the proposal is supported by shareholders with at least nine-tenth of both the votes cast and the shares represented at the meeting.

Authorisation

The Board of Directors, or the person appointed by the Board of Directors, shall be authorised to make the minor changes in the decision that may be required for registration with the Swedish Companies Registration Office and Euroclear Sweden AB.

Preparation of the Board of Directors' proposal for a warrant program for employees

The proposed warrant program has been prepared by the Board of Directors after obtaining opinions from shareholders and independent experts.

Valuation etc.

The Management's acquisition shall be made at market value. Valuation of the warrants shall be based on calculation according to Black & Scholes or another accepted valuation model.

Assuming that the value of the Company's share at the time of the valuation of the warrants amounts to SEK 41.65, that the exercise price amounts to SEK 50.24, a term of 3 years, a risk-free interest rate of 2.27 percent, a volatility of 28 percent, no expected dividend during the term and an illiquidity discount of 30 percent, the value per warrant will be SEK 4.30. The final valuation of the warrants will take place in connection with the participants' acquisition of the warrants and will be based on market conditions prevailing at the time. The preliminary valuation has been carried out by Svalner Skatt & Transaktion.

Costs and impact on key figures

Taking into account that the warrants are to be acquired by the Management at an estimated market price, the warrant program is not deemed to entail any costs beyond certain minor costs for establishment and administration. The dilution effect of the warrants may, however, affect earnings per share in accordance with the accounting standard IAS 33.

In case of full subscription at a price corresponding to the calculated value in the example above under "Valuation etc.", the Company receives total transfer proceeds of approximately SEK 2,150,000. In the event of full exercise of the warrants and at an assumed subscription price of SEK 50.24, the Company will additionally receive issue proceeds of approximately SEK 25,120,000.
